CLEVELAND, Ohio - Cuyahoga County plans to offer a one-stop shop to get driver's licenses and transfer auto titles at a new Garfield Heights license bureau next year. The move is an attempt to entice dealers on the nearby Bedford Auto Mile dealers to transfer titles in Cuyahoga County, rather than use the Summit County office in Northfield. U.S. attorney talks police reform hopes, priorities during swearing-in ceremony

CLEVELAND, Ohio — U.S. Attorney Carole Rendon said Friday that she was proud of the work that Cleveland police did during last month's Republican National Convention. But Rendon raised the stakes to say that she wants to see that kind of policing happen every day, and hopes it will through the litigation she helped bring against the city of Cleveland. She laid that out as one of her priorities as she officially takes the reins of the federal prosecutor's office she has worked at for seven years.

"The cooperation that we saw during the RNC between the police department and the community, well, that's just a preview of what we hope and expect will be every day in the city of Cleveland, thanks to the legacy of our consent decree," Rendon said. Rendon, 53, was privately sworn in July 15 but held her public ceremony at Cleveland-Marshall College of Law. U.S. Sen. Sherrod Brown, who nominated Rendon for the position along with fellow Sen. Rob Portman, administered the oath of office.

Nine hurt, two seriously after car crashes into Parma Heights senior citizens concert

PARMA HEIGHTS, Ohio — Nine people suffered injuries Sunday evening after a car crashed through the dance floor at an outdoor concert for senior citizens, police said. Two are seriously injured, according to police. All of the injured are in their 60s or 70s, police said. The incident happened about 7 p.m. in the parking lot at Greenbrier Commons on Pearl Road during the "Frank and Dean" Sinatra and Martin Summer Band Concert, part of a series of outdoor concerts in Parma and Parma Heights. It was the last scheduled concert of the summer.

A 74-year-old Parma Heights woman was leaving the concert and was backing her car out. Another car was waiting to pull into her spot to the right of the dance floor. The woman got confused and hit the gas instead of the brakes, police said. Her car lurched backward in a circular pattern and hit eight people on the dance floor. Some of the people hit went flying in the air on impact.
